To whom it may concern,

I am grateful and hereby confirm that the trainer **Daniel Skowroński** from the consulting and training company **Valkir Academy Sp. z o.o.** who performed “**Scrum with elements of Kanban**” training in both Warsaw and Barcelona on:

- 24-25.04.2017 for a group of 24 people in Warsaw,
 - 02-03.04.2019, for a group of 14 people in Barcelona,
 - 09-10.05.2019, for a group of 9 people in Barcelona,
- for **Rentals United**, our organisation.

All trainings were delivered professionally, taking into account expectations of the each group. The trainer demonstrated substantial knowledge, not only theoretical, but also practical, supported by examples of the Scrum and Kanban implementation from other companies.

Each module of topics consisted of brief theoretical introduction and intensive workshop. That resulted in an acquired knowledge and understanding of both Scrum framework and Kanban method, preparing to use them in daily activities.

Performed workshops as well as consulting services delivered by Mr. Daniel Skowroński within last months, enabled Agile and Lean practices inception and led to improvements in functioning of the whole division in Barcelona.

Cooperation with the trainer met our expectations, that is why I recommend Valkir Academy Sp. z o.o. as a proven and reliable training partner.

Yours faithfully,

Emil Majkowski
