Reference letter

I am grateful and hereby confirm that the trainer **Daniel Skowroński** from the consulting and training company **Valkir Academy Sp. z o.o.** performed in-house online „**Management 3.0 Fundamentals Online**” training on 22.01.2021 and 05.02.2021 for a group of 8 people from **Macopedia**, our organisation.

The trainer demonstrated professionalism and substantive knowledge in the field of Management 3.0, sharing his extensive experience gained as a consultant supporting various organizations in the transformation towards Agile and Management 3.0. Participants also appreciated the trainer's remarkable coaching skills, supported by in-depth knowledge of applications improving remote training performance.

During the training participants worked in subgroups using Mural - an application with interactive boards replacing classic physical flipcharts, which was a surprisingly engaging solution.

I strongly recommend Valkir Academy Sp. z o.o. as a reliable training partner.

Best Regards,
Tymoteusz Motylewski
